FRESHMEN 1977-1978

After all these years we finally made it . . . high school! Our year started off well with Mr. Cook becoming our advisor and Diane (Piezy) Wong representing our class as Lady-in-Waiting. The theme for Booster Day was Looney Tunes, and our float, Bugs Bunny, placed second. This was our first year attempting our luck as salesmen. We sold candy bars, and were surprised to see that they were so small. Remember our class getting Mr. Baker to change his Health test policy because of the cheating that took place on one particular test?! We ended our year with our first skip day, at David Hastings' house. As we left our Freshmen year, we looked forward to our next three years at Turners Falls High School

SOPHOMORES 1978-1979

This was the year everyone had been waiting for . . . the ordering of our class rings. Remember trying to find the right color of blue and then finding out how much it would cost! This year's theme for Booster Day was Walt Disney. Our float, Tigger, won first place, and we were proud of him. Remember how big he looked in Kuzmeskus' Garage and then when we finally pulled him out, we found he really wasn't that big! Carolyn Finck represented our class that year as Dutchess. We can never forget our luck as salesmen, with the memo boards, how many did we sell . . . 20? We never were really good salesmen! We ended the year looking forward to our Junior year and our preparations for our prom.

JUNIORS 1979-1980

We started off the year with a car wash during the summer to raise money for our prom. By the end of the day we were wetter than the cars! The theme for Booster Day was the Muppets and with Animal, once again, we placed first. Everyone said that Miss Piggy would win, but we proved them wrong with "Animal scoring with Miss Piggy"! Sue Henry represented our class as Princess. This was a good year for sports. The girls varsity volleyball and basketball teams were both Franklin County Champs and went on to Western Mass. Our class certainly was full of its athletes. Then came the planning of our prom, choosing the place, the theme, song, (Through the eyes of Love), etc. We finally had the prom May 10, at Wiggins Tavern in Northampton and the night was very successful. We left for summer vacation looking forward to our last year at Turners Falls High School.

SENIORS 1980-1981!!!

Our year Started off with our ordering of class T-shirts, Mr. Cook trading us for the field hockey team, and Mrs. Robinson becoming our advisor. Booster Day was the best ever for *us,* with a theme of Nursery Rhymes, our float, Humpty Dumpty, won first place. We did it . . . 3 years in a row, the first class in the history of the school to do so! We also won the Spirit Award and a scholarship for singing the Alma Mater. We were so rowdy during the rally . . . I wonder why?! The senior football players even came over when we yelled S-E-N-I-O-R-S.

SENIORS (Cont.)
Cindy Ambo represented our class as Queen. Remember walking in the rain on Booster Day, the truck stalling on the hill, and how wet we got! Who can ever forget Danny May's speech about *green* peas during the Thanksgiving rally! Everyone was excited about class dues for the graduation party and then it was like pulling teeth to get everyone to pay. Then Mr. Dean left us in December with everyone wondering how, when and where to fill out their college applications! Each time we went to the guidance office we wondered if they had finally added up our credits right! This was the first year that all of us were able to have lunch together and we had many good times in the senior hall. Remember thinking that putting the yearbook together would be a breeze but instead we watched the deadlines breeze by us. We look forward to graduation with mixed feeling of excitement to be going out on our own but being sad at the thought of leaving all our friends behind; as well as wishing our friends good luck in the things to come and hoping that someday we will all be together again!

Class

While you may not think of the town of Greenfield as being world renowned, it is because for over 108 years thread cutting tools and gages have been shipped around the world with the word "Greenfield" imprinted on them.

We are very proud of this fact as it is the high quality of Greenfield tools that has enabled us to make the world GTD's customers. But more importantly, we are proud of the people who make these tools. For over five generations people in this area have been demonstrating their skills by producing a line of thread cutting and gaging tools that are the finest in the world.
